

COALFIELDS COMMUNITY FUTURES

the coalfields regeneration trust welcomes you!

WORKING WITH THE PLACE STANDARD IN YOUR COMMUNITY

This exhibition is to help you think about where you live and stimulate ideas to improve your place.

Visit each of the 14 Place Standard themed panels.

Each theme represents an aspect of place for you to consider. You can score it from 1 to 7 and leave any comments you wish to share.

Consider the impact of living with ever changing circumstances such as the effects of climate change.

You can invite others to take part and keep up to date by visiting our website crtconnect.org.uk
